

## Workshops for Corporate Executives and Department Managers

"It is never too late  
to be what you  
might have been."

George Elliot

Participants can present issues, and through various techniques will learn the communication and motivational skills. Also, you will learn how to manage the stress when there are changes in policy, staff reduction, salary, etc. that create doubt and anxiety about their future in the company.

Workshops conducted in my office In office workshops limited to 5 participants @ \$40.00 a session . Participants must sign up for a minimum of 10 sessions.

Learn how to manage difficult people; Listen to your employees with a "third ear" to insure that morale an productivity remains high; Learn from by communicating your own experiences and outcomes to the other participants.

Learn the proper techniques to conduct exit interviews that will reduce employee sabotage and workplace violence and other managerial issues.
